

Chart 1: Peregrine Falcons at Great Spirit Bluff, 2005 – 2019

The chart below shows Peregrine Falcon production at Great Spirit Bluff between 2005 and 2019. Until 2012, production is listed in the following order: eggs laid, eggs hatched, falcons banded. After 2012, production is listed as eggs laid, eggs hatched, falcons fledged.

2012 was the first year we could watch Great Spirit Bluff online. Blackfly years – i.e., years where blackflies caused early fledging – are highlighted in green.
